- (a) Any record of the Department that is deemed to be open to inspection of the public pursuant to the provisions of the defined in T.C.A. § 10-7-503(a)(1): The terms "public record or records" or "state record or records" means all documents, papers, letters, maps, books, photographs, microfilms, electronic data processing files and output, films, sound recordings or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by any governmental agency.

Rule 1240-09-01-.02, Definitions, is amended by deleting part 1 of subparagraph (b) of paragraph (4) in its entirety, and by substituting the following language, so that, as amended, paragraph (4), subparagraph (b), part 1 shall read as follows:

Rule 1240-09-01-.02, Definitions, is amended by inserting a new paragraph (3) and re-numbering existing paragraphs (3), (4), and (5) accordingly; by deleting existing paragraph (6) and by adding new paragraphs (7), (8), (9), (10) and (11), so that, as amended, paragraphs (3), (7), (8), (9), (10) and (11) shall read as follows:

- (3) "Labor" means the time reasonably necessary for the Department's staff to produce the requested records and includes the time spent locating, reviewing, including the time required to assess the costs necessary for reproduction, redacting and reproducing the records.
- (7) "Records custodian" describes the office, official or employee lawfully responsible for the direct custody and care of a public record maintained by the Department of Human Services and is not necessarily the original preparer or producer of the record. Any records, even if stored electronically or magnetically, shall not be deemed

routine copies if it is necessary to print the copies of the record by means of a separate screen-print for each individual page of the record.

- (11) "Safe Harbor" is a presumption of reasonableness of the costs for records reproduction for a public records custodian who adheres to the policies and guidelines established by the Office of Open Records Counsel (OORC). Under this presumption, any fee related to the production of a copy or duplication that is charged by an entity required to provide access to public records pursuant to the Tennessee Public Records Act is presumed to be reasonable if the entity adopts and implements either the Schedule of Reasonable Charges or adopts charges pursuant to a separate schedule developed in accordance with the provisions of the Schedule of Reasonable Charges. The aggregation of frequent and multiple requests for copies of public records and the labor fees charged as the result of that aggregation are presumed to be reasonable if the entity adopts and implements the Frequent and Multiple Request Policy or a separate policy developed in accordance with the provisions of the Frequent and Multiple Request Policy.

Authority: T.C.A. §§ 4-5-202; 8-4-604(a)(3); 10-7-504(a)(7); 10-7-506(a); 71-1-105(4) and (12).
